Remarks

In response to the Notice of Allowance mailed July 26, 2005, please amend the title of the invention as set forth herein. In addition, please note that the assignee of the above-referenced patent qualifies as a **large entity** and not a small entity as incorrectly noted on the Utility Patent Application Transmittal. Based upon a review of the prosecution of this application, it is believed that the proper large entity fees have been paid throughout the prosecution of the application. However, if this is not the case, the Patent Office is hereby authorized to charge any necessary fees to Deposit Account No. 03-0172. If it is believed that additional discussion or information is needed regarding this application, please contact the undersigned at the telephone number indicated below.

Respectfully submitted,

By: _____
